SPOTLIGHT

'Titanic The Musical' at Arts Bonita

Prepare to embark on an unforgettable theatrical journey with "Titanic: The Musical" — an epic, heart-stirring production brought to life under the visionary direction of Kody C. Jones at Arts Bonita Actors Theatre. Set against the grandeur and tragedy of the RMS Titanic's maiden voyage, this musical blends sweeping orchestration with deeply human stories of hope, aspiration, love and loss. From the hopeful dreams of third-class immigrants to the refined ambitions of first-class passengers, the narrative weaves together the rich tapestry of lives forever changed on that fateful night in April 1912.

On stage now through April 26 at Hinman Auditorium, 10150 Bonita Beach Road, Bonita Springs. More at artsbonita.org

As the building becomes increasingly empty, it's a great time for the staff to perform all the expected annual maintenance tasks, and to ensure the building looks great upon your return; these include: all carpets throughout to be shampooed, all walls and wood moldings touched up, fine cleaning and polishing of all other areas, etc.. We also continue to investigate and pursue the planning of the ground floor renovation, and will be undertaking several outdoor projects over the summer season such as cleaning, sanding and sealing of all the pavers throughout the property,
