

Hello Horizons!

As the building gets quieter and emptier, Management wants to make sure you are always up to date with all that's happening here in paradise!

- Summer projects will commence this month! We will be touching up all the paint and stain throughout the building, cleaning and disinfecting all carpets on all common floors, power washing the exterior walls and pavers, paver sealing and other necessary maintenance and improvements.
- The Associations Approved Annual Financial Reports have been made available to all Owners on the building link website. Management is happy to mail a copy free of charge to anyone who requests.
- At present there are 8 individual Owner projects filed for and either in progress or commencing. Notices are sent to adjacent owners.
- We will be commencing the pipe cleaning for the south units that were not completed in the last round. I expect this to be scheduled towards the end of June.
- The building is purchasing a wheelchair to provide for emergency use on site.
- As a reminder, residents can go on the building site bulletin board and post needs, offerings, and even items or units for sale. Be sure to update your personal profiles and add a picture so everyone within our building community can get to know you better!
- Bonita Bay Community Association has some important seasonal announcements so be sure to visit their website.
- Please be sure to utilize our new email addresses and add them to your safe senders list: Manager@HorizonsBonitaBay.com and Office@HorizonsBonitaBay.com. The previous Gmail accounts will not be monitored past June 30th.
- With most owners gone for the season, we want you to feel comforted while away, and to remind you that we are here for you, so if you need anything within our capabilities, we are happy to oblige!
